Secret Garden

The connection between nature and design, the elegant packaging hides a small secret. Surprise in the form of a miniature garden will delight not only at the moment of discovery. It becomes a stylish addition to the interior, whether an office or a home. Linger joy.

Tubus reliably protects the plant during transport even over longer distances. The bottom of the package serves as a design minimalist plant pot. We care about nature which is why Secret Garden is ecological, it consists of natural, recyclable materials. If you are interested, we offer the possibility to defend the logo of your company.
